list), \$10. additional per day daycare (\$80. full care or \$45. basic care), and \$10. additional per ride. Horses not on any type of daily care with Hunters Court are charged another \$10. in addition for coaching and rides. This balances out the fact that boarders pay board while their horses are away at shows and the additional expenses of having staff away from home and equals out the pricing for everyone. Coaching & riding charges include the built-in cost of reimbursement for showing staff food expenses. Fees and expenses paid by Hunters Court for clients and billed on account will incur a 10% surcharge.

All Customers at the show, whether schooling or showing, split the cost of lodging and any necessary travel expenses (not driving horse trailers) for Hunters Court staff, pro-rated per horse.

Children at shows or otherwise left in the care of David, Abbie, Raffi or other Hunters Court personnel (not with parents) must send \$25.00 per day with the trainer for meals and expense money for the child prior to traveling and at shows.

Customers not escorting their horse and or children to shows should include three checks per week for braiding, entries and hotel reimbursement.

Customers approved for and billed on account will accrue a 1.8% per month interest charge on the account balance after 30 days should the balance not be paid in full by 60 days. Customers with unpaid balances of 90 days may not attend shows. As a condition of being billed on account, any client billed on account agrees to pay all costs of collection, including reasonable attorney fees. A \$ 25.00 discount is available to boarders on their BOARD if their ENTIRE bill is paid by the 10th of the month, giving the client a zero balance.

All prices quoted for services in this rate sheet are based on Hunters Court Stable charging a minimum of 15% commission on the price of any horse or pony sold or leased by or to all clients. Since leases usually cost far less than sales but involve similar expenditure of time and effort to organize and close, lease commissions to Hunters Court Stable will not exceed 50% of the total transaction, but depending upon the amount involved will usually be less. This allows us to expend the necessary time and effort to help our riders and owners obtain better quality animals, and when selling, market them on a broader basis. In addition, this enables us to maintain the high standards of our operation and premises to the benefit of all clients using our services.

**PLEASE TIP THE HELP! \$2 TO \$5 PER DAY IS RECOMMENDED. YOU CERTAINLY MAY TIP MORE IF YOU FEEL LIKE YOU SHOULD. THEY WORK VERY, VERY LONG HOURS AND TAKE BETTER CARE OF YOUR HORSES THAN MOST..... WE ARE VERY FORTUNATE TO HAVE THEM WORKING WITH US!**
